

- Ingress Protection Rating - IP65
- Directional LED Heads
- Deep Discharge Protection
- NiCd Batteries
- Non-Maintained Operation
- Simple Installation
- Cost Effective Option

The CT6S/4/NM3 is a simple solution to your emergency lighting applications. The only connection required is a permanent Live, Neutral and Earth.

Suitable for damp or warehouse applications. The fitting features a factory fitted waterproof gasket to a high ingress protection rating.

The CT6S/4/NM3 is a cost effective way of providing emergency lighting to a scheme. Higher output and DALI self-test versions are available if required.

Each head is 2W providing a total output of 4W.

Order Codes

CT6S/4/NM3

Non-Maintained unit with standard 3 hour emergency operation

Technical Details:

| | |
|---------------------------|-----------------------|
| Input Voltage | 230-240V AC 50/60Hz |
| Power Rating | 20mA $\lambda = 0.85$ |
| Dimensions | 280mm x 300mm x 95mm |
| Battery Type | 9.6V 2.2Ah NiCd |
| Overall Weight | 1.7Kg |
| Ingress Protection | IP65 |
| Electrical Classification | Class 1 |
| Ambient Temperature (Ta) | 0 to 35°C |
