

Changes to carriage and small order charges

Dear Customer,

We are writing to inform you that due to increased costs of logistics, we have reviewed our carriage and small order charges and we are implementing the following changes to our charges:

Orders under £250.00 Nett Value

Small Order Charge @ £6.00

Carriage Charge @ £8.00

Total applied to single invoice under £250 Nett = £14.00

Orders under £500.00 Nett Value

Carriage Charge @ £8.00

Total applied to single invoice between £250-£500 Nett = £8.00

Please be aware that the above will apply to individual orders, however if you have multiple orders under the above stated values, the small order charge of £6.00 will apply to each order, but the carriage charge will not apply if the order values total over £250.00.

The above supersedes any prior agreements and constitutes a change to our general terms and conditions of sale.
